For Scanning

10TH March, 2007

TO WHOM IT MAY CONCERN

We had placed an order on M/s. **Vision Grafix Private Limited** for **Scanning Of Old Engineering Drawings And Documents** into digital formats on CDs. The total quantity of drawings was more than 30 thousand and the sizes of the drawings varied from A0 to A4. Both **ONSITE & OFFSITE** services were done quite systematically. The work was completed well in time and the services being rendered by them are very satisfactory.

Thanking you,

Very truly yours
